The Gallia County Local School District is proud to present the "Casserole" basket as its 2009 Limited Edition Collector Basket. The baskets are produced by the American Traditions Basket Company exclusively for our fundraiser. Show off your district's school spirit by purchasing the Black (RVHS) and Gold (SGHS) "cottage" weave basket. The basket features a brass tag etched with the school district logo - "Lamp of Learning". This Collectors Basket will remind you of the precious school memories you will cherish for years. The baskets make great gifts for promotion, graduation, and Christmas. Families, friends, teachers, and maple basket collectors will all enjoy this one of a kind collectors basket. A limited number of baskets will be made with each basket numbered individually.
